- A simple note taking app that saves each note into JSON.
- Role: Sole author
- JavaScript, HTML, CSS, Bootstrap, heroku

EXPERIENCE

The Product Collaborative - Account Manager   Charlotte, NC   2021 - 2022
Reporting directly to the owner, I was responsible for the creation and development of all web based technology including the company website, Instagram and LinkedIn. I also created customer facing documents including quotation sheets, business cards, letterhead and logo.

PSA Apgujeong Campus - ESL Educator   Seoul, South Korea   2016 to 2020

RISE Gwangjin Campus - ESL Educator

Jungchul Junior Language School - ESL Educator

Employed as a Native English Teacher, I taught kindergarten through middle school students English in private school settings. While managing and maintaining classroom sizes of 20 or more students, I taught subjects such as phonics, conversation, writing, and reading. Problem solved with management to overcome differences that were barriers to learning. Met Demands of clientele. Created lesson plans and succeeded at meeting deadlines for course work and testing.
